Today's Thought

Let me fail trying to do something, rather than sit still and do nothing.—Cyrus Hamlin.

Crossfield Sports Day

As added interest to our readers we had some of the Executive Committee for Sports Day interviewed and, we give you the results verbatim:

GLENN WILLIAMS:

"This year for a change we are having District Teams competing in the Ball Tournament to see if this will add zest to the spectators. The boys will be well known and it is probable that this fact will give greater pleasure to the Fans."

"On the whole, granted good weather, we should have a good day, and I for one will be greatly disappointed if the gate doesn't pass the 500 mark."

D. J. HALL:

"Well folks, when you see these snappy Midgets out there playing ball, resplendent in their new suits, I'll warrant you will claim them the HI-LITE of the day."

"What fluttering of hearts too there will be among the younger girls, it takes the uniform every time."

G. MURDOCH:

"The first of July Dance needs no special boosting, it's always a success, and this year will prove no exception. It will rank with its predecessors." "Mack Ferguson and his Melody Boys will be on hand, and you know their efforts always please"

F. STEVENS:

"As Horatius of old did stand at the Gate, so shall I be also as he, ready to take your shiny quarters. On either side of me will be two stalwart Gladiators, and folks we sure like to be kept busy." "Come in your thousands, and if you can have the right change ready, we will be able to handle you that much faster. Thanks."

G. AINSOUGH:

"Will the grounds be in good shape for July 1st?" "Yes a thousand times yes." "When the two Georges undertake anything, well, they do it, and we will be all ready to greet you." As they say in Lancashire, "The Coom."

R. D. SUTHERLAND:

"The Band will be out July 1st in full force, and it's up to each and every one of us to get in the parade." "Even if you cannot go to the expense of decorations, get a few flags on the car and get in the parade anyway"

Let us have lots of decorated bicycles this year.

"Remember the time, 10:30 a.m. July 1st,

L. RAISBECK:

"For those who like Softball, we will have plenty of games for them and the Ladies can cheer their Sweethearts or somebody else's, while the Men can reciprocate."

"All I say, folks, is don't miss July 1st, at Crossfield."

R. E. GREENE:

"This year kiddies and youthful aspirants in the Athletic World, let's have lots of entries for every event."

"Parents encourage your youngsters to compete, and make the 1936 track events the biggest yet."

"Be there won't you Boys and Girls."

P. D. SEZ:

"Gee Whillikers! Mi Gosh! Ain't Sports Days Grand."

Be at Crossfield July 1st.

James Dickson Transferred to Calgary

James Dickson, Teller in the local Branch of The Canadian Bank of Commerce, leaves Crossfield for Calgary on July 15th, to be succeeded here by Eric Carter of Ponoka. James will be stationed at the 8th Avenue West Branch of the Bank. It is almost three years since Jimmie came to Crossfield, and he has been a very active figure in local Dramatics, and was one of the original members of our first Local Chautauqua.

In 34 Jimmie helped start the Midget Teams, and also largely through his efforts pepped-up the last two Burns' Celebrations.

Jimmie will be greatly missed in this community, and the best wishes for his success go out to him at this time.

Mr. and Mrs. J. M. Williams Complimented

A number of the friends and acquaintances of Mr. and Mrs. J. M. Williams gathered at the Masonic Hall on Tuesday evening to say farewell to Mr. and Mrs. Williams who leave soon for pastures new.

On behalf of the men folks Mr. Williams was given a Gladstone Bag as a parting remembrance of his happy associates while at Crossfield.

Mrs. Williams was presented with a Lady's Toilette Set by the ladies.

Both Mr. and Mrs. Williams made suitable replies.

Rev. A. D. Currie spoke on behalf of the men, and Mrs. Wm. Wood on behalf of the ladies.

The programme follows: Canadian National Anthem Chairman's remarks, T. Tredaway Pianoforte Solo, Arlene Amery Address, Mayor Wood Orchestral Number, The Musical Quints Urban Wishes, Dr. S. H. McClelland, V.S. Rural Wishes, Mr. O. E. Jones Recitation, Wilda Laut Presentation, Rev. A. D. Currie and Mrs. W. Wood Pianoforte Solo, Winnifred Tredaway Vocal Solo, Lillian Johnson National Anthem

At the close of the programme a lunch was served by the ladies. Best wishes of the community go with Mr. and Mrs. Williams.

Threshers Attention

This year, from the local Municipalities Threshers' Licenses will be issued instead of the temporary receipts as heretofore.

Each of these licenses will be included with a Crop Return Card, and Noxious Weed Act Card and Threshers' Lien Act in a sealed envelope.

It has come to the notice of the Department at Edmonton that a number of threshing machines have not been registered annually. This is due, in some cases, to an erroneous idea that a person does not have to register, if he only does his own threshing. Any person who owns or operates a combine or threshing machine must register his machine with the Department of Agriculture before the commencement of threshing operations.

Anyone found not registering will be reported.

It used to stand for, "Royal Canadian Mounted Police," now R.C.M.P. stands for, "Royal Canadian Motorized Police."

Between Ourselves

The word has gone out, Decorate for the 1st of July, Brighten up so that the strangers between our gates on that day will say, "Crossfield is a fine looking town."

Councillors, give a hand to carry out this idea by having the grass on the sides of the roads and avenues cut, taking from our streets that straggly look that they now have.

The Garden

Away down East, it was announced in a report of the meeting of a church congregation, that somebody had donated a piece of land rent free for community gardens. The news gives one a thrill, and I for one was glad to know that the church had the land to lend for community gardens. Community gardens are a great institution in the old land and Eastern Canada. One great thing community gardens do is give employment, and in that way they restore self-respect and morale of the unemployed. It is such joyous work to be employed in a garden. There is a thrill in working "first hand with God." Every little while one runs across a man with a garden and it is like a tonic to see his face light up as he talks about his flowers or his vegetables as the case may be. Every way you look at it, the gardens are all to the good.

Was it not Kipling who pointed out that most of the work in a garden is done on one's knee. Certain it is that God dwells in gardens.

On Easter morning, May Magdalene supposed that the Risen Christ was the gardener? His garden is the church and we are members.

A church should be a spiritual community garden.

I'd like to leave but daffodils to mark my little way,
To leave but tulips red and white behind me as I stray;
I'd like to travel on the high life, and feel I'd left behind
But roses and forget-me-nots for all who come to find.

BELSHAW—SUGDEN

A quiet wedding was solemnized at Riverside, R. I. U.S.A., on Saturday, June 20th, 1936, when Mrs. Suggden, daughter of Mr. and Mrs. Samuel Suggden, of Riverside, was united in marriage to James W. Belshaw, late of Crossfield, and eldest son of Jas. Belshaw, of Crossfield.

After a brief honeymoon the young couple will reside in Riverside. Many of the local residents will remember the groom who was a member of this community for many years, leaving Crossfield for the U.S.A. about 9 years ago.

School Fair Jottings
By "Seedling"

Now that the holidays are here, all you children who intend to show livestock at the school-fair should spend a little time every day caring for the animal.

Don't forget that half the points are won by the handling, and the sooner you start to lead and pet your animal, the quieter it will be on fair-day.

Cults especially need lots of handling, and towards the end, if you can keep your coat away from the mare an hour or two every day, you will be able to leave the mother at home on fair-day and save yourself a whole lot of bother, and your coat will behave a lot better in the ring.

Calves also ought to be led around a little each day, and don't forget a bit of salt for those that are shut in, and if you can give them a handful of linseed or oil cake meal, you will be surprised at the difference it will make.

Don't forget the garden needing once in a while, if you want to show vegetables you can help to keep the rows clean and thinned out, no need to leave it all to the growings to do, and then bring in the best of it and say you grew it.

Come on now, get busy and let's show the folks a REAL fair this year.

Hi Therel Tennis Fans

The local Tennis Club is promoting a double mixed tournament, American Style, for Sunday, July 4th. Bring along a dime and give Mable Jones, tournament manager, your entry. This must be done by Thursday, July 2nd.

Partners will be drawn after each round, and points counted like Progressive Bridge. Members and non-members welcome.

Members are asked to observe the ruling regarding fees, and those who have not paid as yet, must make arrangements with the secretary before using the courts any more. Quite a few day players are also neglecting the fee of 25c and if the club is to continue it must have funds.

Calgary's Famous Stampede To Be Held July 6 to 11

Rated as one of the most colorful shows of its kind on the continent, the Calgary Exhibition and Stampede will stage its fifty-first annual event from July 6th to 11th. This famous stampede annually attracts tens of thousands of visitors from all over Canada and the United States, and the programme planned for this year's show is exceptionally outstanding. From all indications the attendance will surpass last year's record when 222,808 people visited the Exhibition Grounds.

The opening event on Monday Morning, July 6th, will be the famous Stampede Parade, at which it is estimated at least fifty thousand people will be spectators. This procession is several miles long, and it is a thrilling sight to witness, with hundreds of Indians and Cowboys in their picturesque costumes, Mounted Police, Chuck Wagons, twelve hundred horses, and some twenty bands providing the music.

The Stampede itself will be held every afternoon, with between five and six hundred entries, including the greatest riders and ropers on the American continent. All events are competitive, and include the North American and Canadian Championship Bucking Horse Riding contest, Wild Steer Riding, Wild Steer Decorating, Wild Horse Race, Wild Cow Milking, Indian Races, and the famous Chuck Wagon Races, Running Horse Races—seven races each afternoon starting the Saturday before the Stampede. The Exhibition will present more than six thousand entries in the several departments.

The Passing Parade is the title of the extraordinary Grandstand production to be presented before the evening audiences, a colorful musical revue, featuring a combination of outstanding acts, including some of the cleverest vaudeville performers in existence.

Hunter's Parade, and the House of Magic are two outstanding exhibits that thrilled thousands of visitors last year. These are being held over again this year, and will present several new improvements.

The Grand Livestock Review, held on Friday Morning of Stampede week is always presented to a capacity audience. Boys and girls, 16 years of age and under are admitted to this event. Valuable prizes will be presented.

The Old Timers' Reunion, an annual event of the Stampede, will have their headquarters in the log cabin on the Exhibition Grounds.

The Midway attraction at this year's show will present the Royal American Shows with many new features and rides.

The Grand finale of the Stampede on Saturday night will present one of the most spectacular Fireworks displays ever shown at an outdoor exhibition. This feature alone has always attracted a capacity audience. Other events of the last night show will include the presentation of prizes to Stampede

champions and the march past of Indians in their colorful costumes, as well as the monster "Tassing Parade" stage presentation.

Special railway passenger fares to single fare for the return trip have been arranged from points in Saskatchewan and Alberta, and from the British Columbia mainland. Summertime fares from anywhere to beautiful Banff, with stopover privileges in Calgary can be arranged. Low bus fares will also be in force.

Many favourable comments are heard from visitors and others, on the wonderful condition the local cemetery is in. The Ed on a recent trip, had occasion to view other cemeteries in other towns some larger than Crossfield, and not one of them could compare with our own. Great credit reflects on the parties responsible for the fine condition of our Cemetery.

THE TRUTH

THE same man is a hero to his friend and a ranter to his enemy. Opinions differ. Opinions will always differ. But an intelligent opinion is possible only when all the facts are known. The truth—the facts—the news—these are the essentials. You must have them to think clearly, to decide intelligently on any question. And you need not be without them. News of every event of importance, every issue, every angle, is brought to you by the press—not just one version, but the whole truth as it can be drawn from every available source.

A GOOD newspaper's own expressions of opinion are confined to its editorial space. The integrity of its news columns is inviolate. They present the discoverable facts, uncolored by politics or allegiance to any group or faction. Your inalienable right to form your own opinion is unprejudiced.

A FREE and untrammelled press—a liberty that is denied in many other countries—that is what the independent daily and weekly newspapers of Alberta offer you. They give a voice to current opinion that is heard in high places. They are a perpetual safeguard to the freedom and welfare of the people.

YOU OWE IT TO YOURSELF TO
SUPPORT THE NEWSPAPERS THAT
SPEAK IN YOUR INTERESTS.
